Wine Wednesdays

Join us for "Wine Wednesdays", every Wednesday, all bottles of wine are half price (up to \$50 off), all night. A Sassafras tradition, Wine Wednesdays are always great fun as regulars, locals and travelers all celebrate the mid-week move to the downhill side of the "hump".

Happy Hour

Happy Hour Tuesday through Thursday prices ring up \$1.00 off all drinks. A good time to finish up the work day with colleagues, or a great time start the night out with friends, or just mix it up with the group at the bar and meet some new and wonderful people. 5 to 7:30pm.

New Menu!

We are in the process of "tweaking" our menu. As we have done in previous "tweaks", we will remain true to our cuisine and to our historical success. We will be bringing you fresh new dishes that we are sure you will want to try and savor again on return visits. A lot of old favorites will remain, and we are increasing the versatility for your choices in a few areas. New features, new sauces, new dressings and continued focus and commitment to the very freshest and creative nightly specials will make your evening's dining experience even more delicious.

Look for news here as we work toward printing and launch.
